# Year of the Charger 1977

Central High School  
Waterloo, Iowa

## Echoes of 1977

We hear the sounds again ... echoes of 1977 ... the year we learned basic life support ... the year the girls' basketball team got it all together ... the year some classes stretched our ability to think critically, while others stretched our knowledge of practical information ... the year we still had to raise money for activities ... the year the Commons took on more of a Charger look ... 1977.

## Young team meets new coach

A young and inexperienced team meet a new head coach this year. Larry Thompson, who took over the head coaching job after the resignation of Gary Haver, leads the team's new offense.

Maurice Washington was selected to the All Big Eight as a split end and first team All Big Eight, while Eddie Carr was also named to the All Big Eight at defensive tackle.

The players ended the season with excellent statistics. Thompson commented, "despite the hard schedule and losing a game this season, the players did a lot of things well. They were a winner, according to Coach Thompson."

Honors this year went to Maurice Washington as the best player, John Rowe as offensive tackle, Brad Hann as offensive line, Anthony Smith, defensive lineman, and Maurice Washington as defensive back.

## Best runner effort late

This year's best effort, according to Coach Agerans, came at the district meet, at which the team placed seventh out of 14 teams. Runner Jim Nerson was the only one to qualify for state competition. He placed fourth in the AA at the state meet.

The team lacked experience but through hard work the members of the team made personal improvement. Coach Agerans.

The runners had three dual meets, two with Deerfield and one with Columbus. Coach Agerans said, "Although they didn't win any of these they did improve with each."

Team honors went to Jim Nerson, most valuable runner, Jeff Pickett, most valuable junior, and Todd O'Malley, most valuable senior.

## Twelve girls outnumbered in water

With only 12 members on the team, coach Dan Brandon's girls' swim team finished the season with one win.

According to Brandon, he was not putting his swimmers in the water to make enough difference in dual meets.

However, in the conference, the girls' swim team placed seventh. Kay Duhrkopf placed sixth in the 100 yard butterfly, and the 100 yard breaststroke with times of 1:09.8 and 1:18.4. In the dual meets, she did things around a little placing fifth in the 100 yard butterfly, and the 100 yard breaststroke with times of 1:09.8 and 1:18.4.

Individual honors were given to Sue Wexler, most outstanding swimmer.

According to the coach, the loss of Sue Wexler, Andy Olds, Toni Wilson, Imogene Gaston and Libby Olds was a big blow.

Needless to say we will be a very young squad next year. He said the brighter side, he is anticipating the return of Mary Gaston who is strong in the breaststroke.

## Letterwinners aide net team

The girls volleyball team, coached by Mrs. Sue Koch, finished the season with four wins and 13 losses for the varsity and six wins and eight losses for the junior varsity teams.

According to Coach Koch, several returning letterwinners did a very good job. They were Tracy Aves, Terry Weathermon, Kay Readyhough, and honorary team captain Rochelle Beier. The most improved player was Denise Thiele but Jamie Michaels also showed great improvement.

The high point of the season was the match in which the team met Cedar Falls in the finals of the district tournament. Although the team lost to the Tigers, the girls played their best. Cedar Falls a real run for the championship, according to Coach Koch.

# Circus mood created

The factoring in of the circus mood was achieved through the use of music, lighting, and props. The set was designed to look like a circus tent, and the costumes were made to look like those of a circus.

Directing the show was a challenge, but the cast and crew were able to create a circus mood that was both fun and professional. The show was a success, and the cast and crew were proud of their work.

For the first time, the cast and crew were able to create a circus mood that was both fun and professional. The show was a success, and the cast and crew were proud of their work.

Carnival was dedicated to Mr. Smith, a man of speech and director of theater at the University of Iowa until 1972, who died in 1972.

The play is about a young orphan who is taken in by a circus owner. She is given a name and a home, but she is not happy. She is eventually rescued by a circus owner who is looking for a new star. The play ends happily.

In addition to the circus theme, the set and the costumes were designed to add to the carnival atmosphere. The set included a dancing bear and Samsonite twins in addition to the other carnival acts, but many of the crew members.

# Personality clash shown in stage mental ward

Lie in a mental hospital was seen in the winter play "Cuckoo's Nest." The production directed by M. (Cuckoo's Nest) was seen for the first time.

The setting for the play, which was written by Ken Kesey, was created by the Wisconsin State Theatre in the Park Theatre.

Mary M. was stage manager and Timmy C. was the light technician. Assistant light directors were Dave L. and Don L. Kelly McKernan was the assistant stage manager and Annette A. was the first assistant.

Mr. Cal Wolfe and Mr. John C. were assisted with stage design and construction in addition to the technical staff.

The play basically showed a clash between two people who have different life styles. Nurse Ratched however, is the one who is the villain. She would like to be the doctor.

Ken P. M. Murphy was the type of person who would not be able to live in a mental hospital. The play grew from M. Murphy's life. He changed the living conditions and he felt that he was a man who was.

## Pop tunes featured in Coffee House

Amid peanut shells, electric cords, and lights, Coffee House IV was presented by the concert choir March 8, 10, 11, and 12. The Younger Delegation made its debut and the singing waitresses and hostesses served refreshments to the 950 people who attended.

The theme was "What a Day for a Daydream" and featured many pop songs in a nightclub atmosphere.

Soloists were Jackie Joens, Nettie Craun, Alan Stoner, and Larry Cook, with Sherry Perry featured in "Oh Happy Day" and Mary Miller in "Fill the World with Love." The 18-member Delegation performed some wild choreography and songs as well as some very mellow tunes under soft lights.

Once again Mrs. Corale Gibbs headed the show together as stage manager. She directed the Coffee House Players and tech director. Some of the novelty numbers were "Razzle Dazzle," performed by the chorus girls, and "All I Have to Do is Dream" by the P.J.'s. The choir rounded off each night's performance with "Don't Take Away the Music" with flashpots and strobe lights.

## Girls break school records

Girls track had a tough season but they had a lot of good sophomores who Coach Karen Dworshack will be counting on next year. The bright spot of the season was their only dual meet win against Denver.

Karma Stevens led the way in the 400, setting a new school record. Jeanette Brown set a new record for the high jump with 5' 10" and Sue Wexler again broke her own record in the softball with a throw of 224 feet.

Jeanette Brown placed third in the 400 at the Big Eight meets and first at the Big Eight meet. Sue Wexler was twice champion in softball at the District and Big Eight meets, and placed sixth in the state meet.

Jeanette and Sue captained the team and Jeanette was named most valuable.

In dual meets, Centennial Jesu won 49-15, beat Denver 14-20 in a triangular meet. Centennial scored 305, against Cedar Falls 111 and Waverly, 111.

Randy Wexter, a ninth grade transfer from West, started every meet. He will be spending his senior year next year and will be a big asset to the team.

According to Coach Enwright, Tony Foss, Joe Fox, Jim Johnson, and Randy Knief made progress and they should be in much better form next year.

Joe Fox was named the most valuable player and letters were received by Jim Johnson, Joe Fox, Randy Knief, Randy Wexter, Joe Hansen, Tony Foss, Dennis Lowe, Rick Beier, Brod Thompson, and Greg Shriver.

The team placed second in a triangular with NU High and Cedar Falls, placed fourth in a quadrangular with Cedar Falls, Columbus and West, placed second in a quadrangular with Cedar Falls, NU High and East, placed second in a triangular with Grundy Center and Toma, and placed third in a quadrangular with East, Columbus and West.

## Book's internal structure altered by yearbook staff

The yearbook staff restructured the book, adding dividers headed fall, winter and spring, in addition to the regular sections such as classes and organizations.

Staff members used a special type of lettering called press type for the cover and the division pages.

Some special photography effects were achieved by using a fish-eye lens. These pictures were used on end pages and the division pages.

The year's activities began with the staff attending the annual Iowa High School Press Association convention in Iowa City.

As in other years, the staff members were forced to raise money for the book. They began the year selling chocolate bars, added to their list later and finished their "salesmanship" by selling suckers.

In addition to the items that were sold to raise money, staff members sold about \$1,000 in advertising to support the book.

## Senate promotes social events, school clean-up, beautification

The Student Senate was involved in the promotion of several social events, such as the homecoming and Christmas dance, a human relations dance, and a school clean-up day.

Fund-raising was an on-going function as the senate had charge of concessions at athletic events, sold jewelry, sweaters, and numerous other items.

A third major area of senate concern was the promotion of school pride. They continued to encourage students to maintain a clean campus and were instrumental in promoting the painting of Central Chargers and emblems on the gym walls.
